

APPLICATION

Toilet limescale remover based on formic acid.

- Does not contain inorganic acids.
- Fast- acting and good adhesion.
- Highly acidic.
- EU Ecolabel.

Swan WC Forte is a ready-to-use, ecological limescale remover for periodic use. This product removes limescale deposits from toilet bowls and urinals quickly and completely. Swan WC Forte does not harm porcelain, sewer lines or septic tanks. Do not use this product on materials that contain lime, such as marble, bluestone, etc. Swan WC Forte is free from chlorine compounds, other halogen compounds, inorganic acids, and petroleum-based surfactants. All surfactants used in these products originate from vegetable sources. All ingredients of non-mineral origin are fully degradable.

INSTRUCTIONS FOR USE

Squirt Swan WC Forte under the rim of the toilet bowl or urinal and leave to work for 10 minutes. Scrub thoroughly with a toilet brush and then –flush. Never mix Swan WC Forte with products containing active chlorine (such as chlorine bleach).

TECHNICAL SPECIFICATIONS

appearance	Viscous liquid
colour	Green
odeur	Fresh
solubility in water	Completely
