

## Fizzy Flush - 75 x 15g

### GENERAL

Probiotic toilet tab, for professional use with environmentally beneficial action, based on microorganisms and enzymes. With multipurpose 5-in-1 action: Cleans, descales and deodorizes the toilet; maintains drain lines and accelerates biodegradation in the septic tank.

With each purchase, you support coral restoration via GoOcean  
Introducing Fizzy Flush - a multi-action toilet tab packed with probiotics and enzymes.

Fizzy Flush does it all with just a single flush: it cleans, descales and freshens your toilet. It also keeps your drains clean and helps to prevent blockages while improving septic tank performance.

Simply drop a tablet into the water, let it work its magic for 15 minutes and you're all set to clean the toilet!

The handy tablet form always gives you the perfect dosage. This means less time, less cost and less hassle - and you contribute to a better environment. Plus, the tabs' handy, resealable packaging is fully recyclable.

Fizzy Flush combines the power of probiotics, enzymes and plant-based ingredients for sustainable and circular cleaning.

In short: one tablet, one flush, all clean.

|                |                |
|----------------|----------------|
| pH             | 5              |
| Cleaning Power | Super powerful |

### USAGE

1. Drop the Fizzy Flush tablet in the toilet
2. Let dissolve (10-15 min)
3. Ready to brush the inside of the toilet

*Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.*
